- Choose either “Go Paperless on All Accounts” or “Select Accounts to Go Paperless” by checking the box to opt In
- Submit
- You may need to enter a confirmation code sent to your text message or email (if email, it could be in your spam or junk folder) to finalize
- You should now be able to view any statements or notices electronically by clicking on the “paper” button under view for each section you wish to view
- This is especially helpful for tax documents since you have access to it quicker than a mailed copy
- If you choose not to go paperless on all statements and notices, you can still view them electronically at any time
